THIS IS UNEVALUATED INFORMATION

SOURCE Cuban national, A 12 853 974, 47 years old.

Source [REDACTED] traveled on business throughout the island a great deal. Four years of schooling, average intelligence.

- On 17 Sep 62, about 2100 hours, while traveling by automobile from Havana toward my home in [REDACTED] Pinar del Rio, I observed a convoy of 10 motorcycles, 16 trucks, and eight trailers proceeding southwest on the Central Highway toward Pinar del Rio. Since I was traveling in the same direction as the convoy, I passed what were the last units of the convoy at the entrance to Guanajay, Havana (Grid coord 270300, Sheet 3604 I, Series E783), and then passed the leading element of the convoy immediately after Artancas, Pinar del Rio (Grid coord 190235, Sheet 3604 III, Series E783). Although the vehicles were scattered over a distance, I am of the opinion they were all part of the same convoy.
- The leading element of the convoy was five motorcycles driven by unarmed Rebel Army soldiers whose function appeared to be clearing the civilian traffic ahead. The motorcycles were followed by six HUZ-502 trucks, each carrying about 30 Rebel Army soldiers armed with 9 mm submachine guns M-25 and rifles. Since it was dark, I could not see who the drivers of the trucks were.
- The trucks were followed by eight Soviet-built flatbed-type trailers approximately 32 feet long, seven of which were carrying what looked like huge tubes extending over the entire length of the flatbed and completely covered with canvas. I could not distinguish what the eighth trailer was carrying since it was completely covered with canvas. However, I did notice what looked like large metal prongs sticking out from under the canvas at the rear of the trailer. Although I don't know too much about it, it looked like a piece of radar equipment.
- The trailers were followed by six HUZ-502 trucks, each carrying about 30 Rebel Army soldiers, also armed with rifles and 9 mm submachine guns M-25. The trucks were in turn followed by five motorcycles driven by unarmed Rebel Army soldiers. Because of darkness and rain I could not distinguish who the drivers of any of the vehicles in the convoy were.
